HELP WANTED

rough state, many responses made to the invitation, and there will be many hands of musicians taken from all over the country. The southern counties are planning to meet in Ardmore and to make the trip together, and to march in a body under the name of southern Oklahoma. Tishomingo and Madill both have good bands and Ardmore a Saxophone Sextette that makes excellent music, and that will create a sensation in the capital city. Plans have not been matured yet but it is very probable that this will be done.

A national democratic speaker will address the visitors. That speaker will probably be Champ Clark, although that has not been determined. The counties of the southern end of the state mentioned have the matter under consideration and in case the trip is made every democrat in the southern portion of the state who can should make this trip. Most of them will want to go to see the fair anyway, and they can go as well on democratic day as on any other.

The secretary of the Carter county committee has been notified by the state committee that a prize of \$100 will be given to the largest county delegation exclusive of Oklahoma county and a prize of the same amount will be awarded the best band in the parade and \$25 will be awarded to the best banner. The Oklahoma City democrats will furnish torches and torch bearers and will marshal the parade.

Cashier of the five civilized tribes office. The decision was filed today. The case immediately involved \$116,000 in royalties accruing from the Cushing field under a lease made by Eastman Richards, guardian, to the Kathleen Oil company in April, 1912. The allotment was that of Sam Richards, son of Eastman, and Sam died last January. The Indian office asserts it had authority to retain the accrued funds and the plaintiff set up that death terminated the government's trust. Funds accruing from allotments to fullbloods under approved leases will be held under the opinion of the court subject to the rules and regulations of the interior department and may be paid to the heirs at such times and in such sums as the secretary's discretion dictates.

The decision is also important from the fact that it affects vast sums in the hands of the Indian office.

Chamberlain's Colic, Cholera and Diarrhoea Remedy. This is a medicine that every family should be provided with. Colic and diarrhoea often come on suddenly and it is of the greatest importance that they be treated promptly. Consider the suffering that must be endured until a physician arrives or medicine can be obtained. Chamberlain's Colic, Cholera and Diarrhoea Remedy has a reputation second to none for the quick relief which it affords. Obtainable everywhere.

Colonel Ready to Travel. New York, Sept. 16.—In making plans for Theodore Roosevelt's campaign trip in support of Charles E. Hughes, alternate itineraries are being considered. One of them would carry the Colonel to San Francisco with speeches at Chicago, Denver and other cities on the way. The other contemplates a tour of the middle states, with a side trip into the northwest and a return by way of Missouri and Kentucky. Colonel Roosevelt, it was learned today, told Chairman Wilcox of the republican national committee he was willing to go to California if necessary.

THE BOARD OF DIRECTORS MET MONDAY

OFFICIALS OF THE CARTER COUNTY FAIR ASSOCIATION LAYING PLANS FOR GREATER COUNTY FAIR IN 1917.

The Board of Directors of the county fair association met Monday and spent almost the entire day approving the claims for premiums won at the fair. The officials were delighted with the results of the fair and the exhibits.

O. K. Darden, president of the association expressed the opinion of the entire board when he said:

"I want to thank, through the Ardmoreite, every exhibitor at the fair. I also wish to express the appreciation of the association of the splendid exhibits made by the merchants who contributed so largely to the success of our first fair. The one feature of the fair, however, that we most appreciate, is the splendid order maintained. I think, Carter County made a record when fifty thousand people were handled without a drunken man or any disorder on the grounds. We are all delighted and have pledged ourselves to see that next year's fair is far better and greater than this."

Robbers Tie Officer to Tree.

Two Men, One Masked, Rob Restaurant at Tulsa.

Tulsa, Okla., Sept. 18.—Two men, one of them masked, entered a restaurant here last night, seized W. A. Loman, a policeman and after tying the officer to a tree, proceeded to rob the cash drawer and ransack the place. Loman, with three other men, rounded up by the two robbers, were carried a distance of half a mile from the scene of the holdup and there bound and gagged. A Greek who protested against the treatment was severely beaten and it is feared he was fatally injured. No arrests have been made.
